Welcome to NH Renaissance Faire

Dear Gentle Folk,

Welcome to the Shire of Three Maples. Once a year the Shire celebrates with an explosion of merriment, extravaganza and wonderful things for the body and soul. Come enjoy the music, food and dancing. Learn about jousting and see knights in live steel combat. Watch a fascinating plot evolve around the Queen and her Court, and help her pick her Consort! See pirates shooting black powder guns. Be entertained with comedic acts. Your little ones can explore the activities at the Children's Glen. They can be knighted by the Queen's knights or have tea with the Queen. About Our Charities

NH Renaissance Faire is committed to helping our neighbors in need. We are proud to be able to say that in our first 13 years we gave over $100,000 to charity. With the help of our volunteers and the community that supports us, we were able to donate $54,000 in 2016.

The charities we are donating to in 2017 are the **NH Food Bank, Rockingham Meals On Wheels, and three other local charities.**

As the only food bank in state, the NH Food Bank is a vital distributor and supplier to the hunger relief agencies that serve meals and provide groceries to people experiencing the negative impacts of not having enough to eat. On average these agencies receive 40% of their food from the NH Food Bank. There aren't enough words to describe the good work the NH Food Bank does. In 2016 the Food Bank distributed over 12 million pounds of non-perishable food items, fresh produce, and meats to over 400 non-profit food agencies in all corners of NH.

Rockingham Meals on Wheels began in 1978. In the first year about 60,000 meals were served, all in community dining halls. There were no Meals on Wheels at that time. Thirty six years later, approximately 275,000 to 300,000 meals are served each year. The focus and mission of the program is to help people stay well by eating right, and to provide the safety and social supports that come with the program. Meals on Wheels nourishes the whole body and provides peace of mind.

NHRF also donates to two local food pantries and to **Granite States Arts Academy**. GSAA is a high school dedicated to the arts with a curriculum that integrates the arts and academics.

Being here as a patron of our Faire, you are also helping these organizations and your neighbors in need.

Thank you!

Queen Catherine's Court

"Consort for the Queen"

Even with all the excitement of the faire, the Queen has been feeling a bit down lately. The members of her court decided the best way to fix this is to find her a spouse. This is much to her dismay! The suitors will be subjected to a series of tests to ensure their eligibility. With your help voting, the court will attempt to marry the Queen off... BUT! Will she allow it? COME AND FIND OUT WHAT THE MATCH MAKER HAS IN STORE FOR THE QUEEN. AND COME VOTE!

Queen Catherine: Evy Bernier
The Queen has ruled this beautiful shire for over eight years and enjoys the yearly faire and the wonderful vendors, performers and visitors it brings in. No day is complete for the Queen without her tea with the younger members of the shire. Now if only her advisors could keep the pirates and thieves out, things might be more peaceful and give the Queen the time to watch shows and shop without having to rule for a bit. Well, maybe not the fun pirates and thieves...

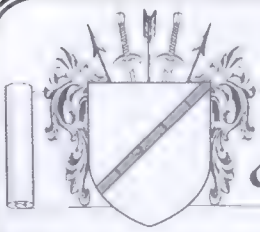

Lady Genevieve: Meghan Madan
She decided to leave her land that was being destroyed and came upon the shire under the rule of Queen Catherine. Genevieve was torn and tattered but immediately became close with the Queen. Queen Catherine wanted to spend more time with Genevieve so made her one of her Ladies in Waiting. As time went on, Lady Genevieve proved to be one of the most faithful to her majesty, so the Queen decided to make Genevieve her Head Handmaiden, which Genevieve was happy to accept the position and was excited to finally have a real home.

Aspergillius Gleekman: Danny Scialdone
Aspergillius was born in a small village in the Eastern corner of the Winslow Shire Kingdom. His father, who was a merchant fisherman, worked hard but had very little money and so together they lived a simple life. As he grew older, he aspired to be something great, someone with great status...someone that would fill the hearts of others with the same love he possessed. Through many years he searched finally reaching the other side of the world, Aspergillius found himself completely alone and losing all of the light he once held. That was only until he met the one person that would be his closest friend and ally, Queen Catherine of the Three Maples Kingdom. Queen Catherine saw the happiness, the joy, and all of the love that Aspergillius was filled with an immediately new what his true calling was. And so, by royal decree, he was named the Royal Jester of the Court of Three Maples, and became a member of the court as the Queen's most trusted advisor.

Rosarius Thorne: Nathan Smith
He was born into a peasant family in a neighboring province. After joining a monastery, and failing to become a monk, Rosarius became a wanderer and went on a pilgrimage of religious discovery. He eventually entered the court of Queen Catherine as a spiritual advisor, even though he had no official standing in the Church. Father Thorne, known for his sage counsel and soothing presence, became a favorite Queen Catherine, though his political influence was minor.

Captain Wolf of the Pillage Idiots: John Kierstead
He usually finds himself in Queen Catherine's realm every year. Rumor is the Captain has or had a ship in Portsmouth, but how he gets to Court every year is a mystery unbeknown-est even to the

Captain himself. No one is sure how he gets in also, as he is usually expelled. Some say the the Jester and the Priest help him back in, as they have all been seen in the tavern together, It seems the Captain primarily is only concerned with relieving the throne room of it's valuables, but he has been known to assist the court on occasion. Known accomplice is Hamish Buttinpants, but details are sketchy on this as well.

Hamish Buttinpants: Jarrod Bernier
Hamish comes from the not so far away land of Scotland. He spends far too much time with Captain John Wolfe. His favorite past times are: stealing, running away from the authorities, and escaping from his punishment to start anew the following year.

Lady Patronia: Lydia Ahlstrom
Patronia came to the shire to share her love of music with all the people of this wonderful land. Upon hearing the beautiful tunes that she played on her fiddle, the Queen invited her to become a lady. Little does she know this is no ordinary court!

Lady Alice: Erin Deady
Queen Catherine's Lady in waiting... and waiting... was a young courtier in the Queen's court. Often day dreaming of knights and dragons she quickly realized reality is full of dragons and too few knights. Taking life by the pommel Alice decided she would find her own dragons to slay in and around Queen Catherine's court. You can find her faithfully beside the Queen, now making a life of her dreams rather than wishing for one.

Golda the Matchmaker: Linda Woodworth
Hired by the Jester to make the Queen's life better, Golda is determined to find the perfect partner for Queen Catherine and maybe pick up a few new clients on the way. She will stop at nothing to find

NH Renaissance Faire History

The annual New Hampshire Renaissance Faire had its beginnings in 2005. Shannon McCracken-Barber was looking for a faire site and called Three Maples Arts & Nature Camp in Kingston, NH. The camp's owner, Marghi Bean, after listening to questions about renting out the grounds commented, "There are no facilities for a faire here, I use porta-potties." Shannon replied, "That's OK... They didn't have facilities in the 1500s either!" And from that conversation, the New Hampshire Renaissance Faire was born.

The first Faire was held that year on the last weekend in October. It was put together in six weeks, the weather was horrible, and the attendance was about 300 people. It was deemed a total success!

Over the next few years it was called the "Hardy" Faire because of the often awful weather that was endured. But it grew. It moved to May in 2009 and at peak has seen about 4,000 people over two weekends. All of our accomplishments and future plans would not be possible without the dedication and effort from all the people in the Kingston area, our many volunteers, our Board and the Rennie community, who generously give time and talent.

By 2011 the Faire had grown enough that it was more than one owner could handle. A group of volunteers formed the Three Maples Renaissance Corp. to run the event. It is 3MRC that is an approved 501(c)3 charity. We have no visions of grandeur. We are a small family-oriented faire with the goal to entertain, teach a bit, and help our neighbors. We are alcohol free and discourage bawdiness. We are handicapped accessible. Profits from the Faire this year will again be donated to the New Hampshire Food Bank and Rockingham Meals on Wheels, as well as a few other local organizations. In the past 13 years we have donated over $100,000 to various charities. Last year we were able to donate $54,000! We are able to do this because of all our wonderful volunteers and everyone who supports our efforts. Your ticket at the gate is a big part of this donation.

But never let it be said that we don't have fun! There are 35 acres of woods and fields to wander on. There are musicians, singers, and a children's glen. We run an auction of donated goods and services with proceeds going to The Granite State Arts Academy. There are actors weaving stories during the day and a May Pole to join in weaving ribbons. There's jousting performed by jousters who joust internationally. There are potters, leather craftsmen, glass workers, clothiers, herbalists, wood burning artists, jugglers, and pirates. Enjoy art, face painting, Henna, hats, hair bobs, and jewelry. Watch and learn from knights, wandering acts, and stage acts. There are great craft demonstrations. Try your hand at archery. And of course, there's wonderful food -- and shade under the trees on a hot day when feet get tired and you need to relax.

Our New Hampshire Renaissance Faire has grown and come a long way since it started but it is still the same. NHRF is a fun family faire that gives its money to charity in order to help our neighbors.

Enjoy the Faire and have a good time!

Special Thanks
need to be given to many people!

Chief Don Briggs and the Kingston Police Dept. have given us advice and help with traffic control, parking, and security. Frank Kerwin has been our go-to police liason. Chief Bill Seaman of the Fire Department has offered advice and help when needed. Road Agent Rich St. Hilaire has let us use all the traffic control cones and signs that allow us to have a safe traffic pattern. Kingston's Selectmen and their staff have assisted in getting the necessary permits. Graham Harvey has helped us with extra parking space. Bill Korn of Safeway Bus Co. has made the tricky problem of bus support seem easy. The many generous people who donate wonderful items that make the auction a success each year. Sue Dooley's Venture Crew 55 has helped us for many years doing what needs doing. And of course... our many neighbors who put up with the New Hampshire Renaissance Faire each year and smile. They're wonderful. There are so many people who have helped us with their time and talents. It's impossible to list them all -- but without them, this faire would not be what it is.

Thank you to you all!
